

Student Spotlight: Sisa Campbell-Diaz

Each month one student will be selected for a special Company Student Spotlight!

Congratulations to Sisa Campbell on being selected for Student Spotlight in December! Below are our questions paired with Sisa's answers. Enjoy learning a little bit about her!

HDC: At what age did you start dancing? Was there a specific reason why you started dance? What inspires you to keep dancing?

SC: "I started dancing when I was 5. My amazing coaches and dance brothers/sisters inspire me to keep dancing. It makes me so happy to dance for and with such amazing people."

HDC: What is your favorite thing about dance? What style of dance do you enjoy the most?

SC: "There is so much to love about dance! I mostly love pushing myself farther than I ever thought I could go. I love lyrical because I get lost in my feelings and get to express myself. I also love getting to dress up all sassy and go wild in a jazz dance!"

HDC: What is something you are looking forward to in this 2021/2022 competition season?

SC: "I am really looking forward to hitting the stage with my HDC family. We have worked so hard, and I can't wait until it all shows on stage."

HDC: What is one of your favorite memories here at HDC?

SC: "One of my favorite memories was when I first joined the team. Being the new girl is always nervous but there wasn't one second I didn't feel like family. I was immediately surrounded by joy and support."

HDC: What is something special about you?

SC: "Something special about me is my tumbling tricks. I always try to find unique spins on traditional tricks."
