K: I started dancing at the age of 2. My parents said I would spend time dancing to music in front of the T.V.

HDC: What is your favorite thing about dance? What style do you enjoy the most?

K: My favorite thing about dance is how it can get me out of any mood, it is a way for me to escape any feelings I may have that day. I really enjoy contemporary dance because of all the different elements it has.

HDC: What is one of your favorite memories here at HDC?

K: My favorite memory at HDC so far is playing hide & seek at the lock-in. Everything about that night was so fun.

HDC: What inspires you to keep dancing?

K: My drive and passion for dance has always kept me going. Loving what I do is what inspires me to keep working hard.

HDC: What is something you are looking forward to in this 2022/23 competition season?
